

NAWEA 2013 Symposium Boulder, CO

NORTH AMERICAN WIND ENERGY ACADEMY

Session Speaker

Byron Boone, Boulder Wind Power

Funding Innovation

Byron Boone has over 12 years of diverse experience in the renewable energy and energy efficiency industries. In his current role as Product Manager for Boulder Wind Power, he is responsible for marketing, competitive intelligence, cost of energy modeling, and product requirements. Prior to Boulder Wind Power, Byron has worked in site assessment, wind and solar energy project development, and wind turbine sales. He received his MBA from Chicago Booth School of Business and his BA in Engineering Sciences from Harvard University.
